Be the Nut Scott Smith 2017-03-15 Be the Nut is a story of a little buckeye who just can't come to terms with who he really is. He so desperately wants to become an oak tree that he can't see his own special qualities and he begins to compare himself to the little acorn. His comparisons lead to coveting, scheming, lying and even stealing! He learns some very important lessons along the way; like what we wear on the outside cannot change who we are on the inside and that God knows just what He's doing when He creates each one of us.

Montessori Madness Trevor Eissler 2009 "We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. Montessori Madness! explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.
