The Everlasting Katy Simpson Smith 2020-03-24
NEW YORK TIMES BEST HISTORICAL FICTION OF 2020 "Only Katy Simpson Smith could have written a novel of such elegance, emotional power, and grace. *The Everlasting*, a quadruple love story spanning two millennia, is no less than the story of love itself—its frustrations and thrills, its blunders and transcendent glories. Meraviglioso."—Nathaniel Rich, author of *King Zeno* From a supremely talented author comes this brilliant and inventive literary work of historical fiction, set in Rome in four different centuries, that explores love in all its various incarnations and ponders elemental questions of good and evil, obedience and free will that connect four unforgettable lives. Spanning two thousand years, *The Everlasting* follows four characters whose struggles resonate across the centuries: an early Christian child martyr; a medieval monk on crypt duty in a church; a Medici princess of Moorish descent; and a contemporary field biologist conducting an illicit affair. Outsiders to a city layered and dense with history, this quartet separated by time grapple with the physicality of bodies, the necessity for sacrifice, and the power of love to sustain and challenge faith. Their small rebellions are witnessed and provoked by an omniscient, time-traveling Satan who, though incorporeal, nonetheless suffers from a heart in search of repair. As their dramas unfold amid the brick, marble, and ghosts of Rome, they each must decide what it means to be good. Twelve-year old Prisca defiles the scrolls of her father's

library. Felix, a holy man, watches his friend's body decay and is reminded of the first boy he loved passionately. Giulia de' Medici, a beauty with dark skin and limitless wealth, wants to deliver herself from her unborn child. Tom, an American biologist studying the lives of the smallest creatures, cannot pinpoint when his own marriage began to die. As each of these conflicted people struggles with forces they cannot control, their circumstances raise a profound and timeless question at the heart of faith: What is our duty to each other, and what will God forgive? Moving back through time from today (*The Wilderness*) to the Renaissance (*The City*) to the Middle Ages (*The Grave*) and finally to Rome under Marcus Aurelius (*The Paradise*), Tom, Guilia, Felix, and Prisca search and suffer for love in the eternal city, made vivid and familiar as they reappear in each century.

The Everlasting Word Frans Bakker
2007-01-01 With great pleasure we offer this daily devotional of meditations from the late Rev. Frans Bakker (1919-1965). His devotionals and meditations proved to be comforting and edifying to many of God's people in the Netherlands. Writing in a simple but penetrating style, Bakker emphasized the fullness of Christ for needy sinners. In *The Everlasting Word*, all of Bakker's published meditations have been translated and compiled with additional selections from his sermons. We trust that the result is a collection filled with great nuggets of spiritual wisdom that you will enjoy. May this devotional be both an encouragement that edifies God's people and an admonition for a life

with Christ in the present age.

Life Everlasting Bernd Heinrich 2012-06-19 An enlightening look at animal behavior and the cycle of life and death, from “one of the finest naturalists of our time” (Edward O. Wilson). When a good friend with a severe illness wrote, asking if he might have his “green burial” at Bernd Heinrich’s hunting camp in Maine, it inspired the acclaimed biologist to investigate a subject that had long fascinated him. How exactly does the animal world deal with the flip side of the life cycle? And what are the lessons, ecological to spiritual, imparted by a close look at how the animal world renews itself? Heinrich focuses his wholly original gaze on the fascinating doings of creatures most of us would otherwise turn away from—field mouse burials conducted by carrion beetles; the communication strategies of ravens, “the premier northern undertakers”; and the “inadvertent teamwork” among wolves and large cats, foxes and weasels, bald eagles and nuthatches in cold-weather dispersal of prey. Heinrich reveals, too, how and where humans still play our ancient and important role as scavengers, thereby turning not dust to dust, but life to life. “If it has not been clear to readers by now, this book confirms that Bernd Heinrich is one of the finest naturalists of our time. *Life Everlasting* shines with the authenticity and originality that are unique to a life devoted to natural history in the field.” —Edward O. Wilson, author of *The Meaning of Human Existence* and *The Social Conquest of Earth*

Tuck Everlasting Natalie Babbitt 2015-01-20 Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which

That is what young Winnie Foster must decide when she discovers a spring on her family’s property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks’ secret—and whether or not to join them on their never-ending journey. Everlasting Love Mary Algen Guiang 2021-04-27

I loved her, so much, that she became my whole world. I loved her, too much, that with just a few words, my whole world fell apart. I justified my anger with this thought, of how much I suffered when she left me. Of how pathetic I felt when even after I kneeled in front of her and begged her to stay, she still left like I meant nothing to her. That cruel girl from several years ago is now before my eyes once again. This time, begging me to hire her as my secretary. I looked at her with cold eyes, and gave her a smirk, as I said, "Are you certain you can live with the consequence?"

The Everlasting Embrace Gabrielle Emanuel 2014-12-04 Each morning as the sun brightens the West African sky, mother and child prepare to start their day. They spend it bound together, the child riding on the mother's back watching their world go past. Pounding millet, drawing water from the well, visiting friends, shopping at the outdoor market—days are shared in perfect step with one another. And even when the child grows big enough to go off and explore their world, the everlasting embrace endures. Illustrated with E.B. Lewis's stunning watercolors that bring to life the land and people of Mali, Gabrielle Emanuel's tender story celebrates the universal bond between mother and child.

The Everlasting Story of Nory Nicholson Baker 2011-08-24 Our supreme fabulist of the ordinary now turns his attention on a 9-year-old

American girl and produces a novel as enchantingly idiosyncratic as any he has written. Nory Winslow wants to be a dentist or a designer of pop-up books. She likes telling stories and inventing dolls. She has nightmares about teeth, which may explain her career choice. She is going to school in England, where she is mocked for her accent and her friendship with an unpopular girl, and she has made it through the year without crying. Nicholson Baker follows Nory as she interacts with her parents and peers, thinks about God and death-watch beetles, and dreams of cows with pointed teeth. In this precocious child he gives us a heroine as canny and as whimsical as Lewis Carroll's Alice and evokes childhood in all its luminous weirdness.

[The Song of Everlasting Sorrow](#) Wang Anyi 2008-02-22 The classic story of a woman in post-World War II China. "[A] complex and penetrating portrayal . . . that best displays [Anyi's] gifts as a novelist."—The New York Times Infatuated with the glitz and glamour of 1940s Hollywood, Wang Qiyao—a girl born of the longtang, the crowded, labyrinthine alleys of Shanghai's working-class neighborhoods—seeks fame in the Miss Shanghai beauty pageant. This fleeting moment of stardom becomes the pinnacle of her life. During the next four decades, Wang Qiyao indulges in the decadent

pleasures of pre-liberation Shanghai, secretly playing mahjong during the Anti-Rightist Movement and exchanging lovers on the eve of the Cultural Revolution. Surviving the vicissitudes of modern Chinese history, Wang Qiyao emerges in the 1980s as a purveyor of “old Shanghai”—a living incarnation of a new, commodified nostalgia that prizes splendor and sophistication—only to become embroiled in a tragedy that echoes the pulpy Hollywood noirs of her youth. From the violent persecution of communism to the liberalism and openness of the age of reform, this sorrowful tale of old China versus new, of perseverance in the face of adversity, is a timeless rendering of our never-ending quest for transformation and beauty. “A beautifully constructed cyclical narrative . . . ingenious . . . As the novel builds to its tragic conclusion, the manner in which character types and events recur against the city’s shifting backdrop is impossible to forget.”—Publishers Weekly (starred review) “[A] literary masterpiece . . . The story is spellbinding, colorful, and sad; the writing is dense and thoughtful . . . a page-turner right up to the end.”—Historical Novel Society

On his return to China, Tian is informed that the sponsors of the event were supporters of Taiwan’s secession, and that he must deliver a formal self-criticism. When he is asked to forfeit his passport to his employer, Tian impulsively decides instead to return to New York to protest the government’s threat to his artistic integrity. With the help of his old friend Yabin, Tian’s career begins to flourish in the United States. But he is soon placed on a Chinese government blacklist and thwarted by the state at every turn, and it becomes increasingly clear that he may never return to China unless he denounces the freedoms that have made his new life possible.
