*Pass the Sie* Robert Walker 2018-01-12 The Securities Industry Essentials Exam is an exciting, new development from the industry regulator known as FINRA. Historically, those who wanted to become securities agents had to be hired by a broker-dealer before taking a license exam. Now, with the implementation of the Securities Industry Essentials (SIE) Exam, those interested in entering the industry can take a securities license exam on their own. Then, after being hired by a member firm, these individuals will take a top-off exam, such as the Series 6 or Series 7, to complete their FINRA licensing requirements. The results of the SIE are good for four years. Therefore, an individual can take the exam long before he chooses his career path and begins his job search in the financial services industry. Those who have passed the Securities Industry Essentials (SIE) Exam are presumed to have an advantage over other candidates, as they have shown initiative

and already cleared one hurdle in the process of getting a candidate registered with FINRA and the state securities regulators. This book follows the Securities Industry Essentials (SIE) Exam Outline provided by FINRA. There are four sections of the FINRA outline, which is why this book, also, has four chapters. Chapter 1 covers primary offerings of securities, such as IPOs or initial public offerings. Types of broker-dealer businesses and their basic financial and regulatory requirements are explored. Finally, we look in some detail at basic economic factors affecting securities investments, including inflation, interest rates, and the business cycle. The largest chapter, Chapter 2, is called "Understanding Products and Their Risks." Here, we explore insurance and securities products in detail, following with a detailed examination of investment risks related to various investment approaches. Annuities, corporate bonds, Treasuries, municipal securities, common stock, preferred stock, and derivatives are all discussed in detail in this chapter. Chapter 3 examines customer accounts, trading securities, and FINRA regulations of agents. The last chapter, Chapter 4, focuses on the regulation of the securities industry. Here, we explore federal securities legislation as well as FINRA in detail. After each chapter, you will take a chapter review exercise, and then a chapter review quiz. At the end of the four chapters, you will find two full-length practice exams, 75 questions each. A detailed glossary follows the practice exams. Finally, an index of frequently used terms is found at the end of the manual. The authors of Examzone textbooks have helped thousands pass the Series 6, 7, 24, 63, 65, 66, and 99 exams over the past 18 years. We're now excited to help you pass the Securities Industry Essentials Exam. This test will open doors for your career as was never-before possible. Once you pass this test, we look forward to helping you pass the Series 7 and Series 6 once you enter the securities industry. **SIE Exam Prep** Tpb Publishing 2020-08-05 Test Prep Books' SIE Exam Prep: SIE Prep and Practice Test Questions for the FINRA Securities Industry Essentials Exam [3rd Edition Book] Made by Test Prep Books experts for test takers trying to achieve a great score on the Series SIE exam. Trying to pass your Series 7 Exam? Pass The 7 is written with the reader always in mind. This Series 7 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the FINRA Series 7 exam outline point-by-point. To reduce your frustration in obtaining your Series 7 license, we try to make sure each sample question in our Pass The 7 Online Practice Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 7 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved on the Series 7. Remember that the Series 7 is not a memorization test but, rather, a "competency exam." Too many Series 7 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when, in fact, passing your Series 7 exam requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both

understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 7 exam study guide to a higher level by presenting you with well over 1,200 challenging questions in our Pass the 7 Practice Exam Question Bank. However, our sample questions are not designed to merely trick you--which most people find discouraging and confusing at best. Rather, our Series 7 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 7 exam. Be sure to keep a notebook filled with all that you learn from working the questions and reading the helpful explanations that follow. For an extra edge, try writing your own variations of our Series 7 practice questions in this same notebook, something our tutoring clients have found extremely helpful. Pass the 7 is your guide to a passing score on the Series 7 exam. This textbook is at the same time in-depth and easy to read. We don't skimp on the details found on the FINRA Series 7 outline. Rather, we skimp on the filler found in many of the more tedious Series 7 license exam manuals on the market. To give yourself an edge on this difficult license exam buy this book and then go to [www.examzone.com](http://www.examzone.com) to purchase the Pass the 7 Practice Exam Question Bank and other Series 7 study materials. The Series 7 is not easy. The best time to get started is . . . now."

**Pass the 7** Robert Walker 2013-02-22 Do the terms ad valorem, reverse repurchase agreement, and disintermediation give you a headache? Do you need to take the Series 7 exam? If you can answer yes to both of these questions, then you've come to the right place. Robert Walker, a professional trainer who specializes in the FINRA/NASAA Series 63, 65/66, 6, and 7 exams, has written this book for those who are about to brave the Series 7 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor. Completely restructured to reflect the organization of the new FINRA Series 7 outline, the fifth edition of this must-have book guides you through the exam's intricacies. Walker takes the exam apart piece

by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions. In addition to practice questions liberally sprinkled throughout its lessons, Pass the 7 includes a full 250-question practice exam as well as a comprehensive glossary and index. Once you've finished this book, you will be able to take the test with confidence!

**Pass The 6** Robert Mark Walker 2014-04-07 Do the terms collateralized mortgage obligation, subordinated debenture, and pass-through certificate give you a headache? Do you need to take the Series 6 exam? If you can answer yes to both of these questions, then you've come to the right place. Robert Walker, a professional trainer who specializes in the FINRA Series 6, 63, 65, 66, and 7 exams, has written this book for those who are about to brave the Series 6 examination. Armed with an M.F.A. in writing and a B.A. in English, Walker has managed to translate Securities-ese into plain English, with a liberal dash of humor. This must-have book guides you through the intricacies of the Series 6 exam, matching each book chapter to the corresponding exam section. Walker takes the exam apart piece by piece, and explains terms and concepts with a sense of humor and ease not found in other exam guides. He shows you, step-by-step, how not to be misled by the questions. Pass the 6 includes chapter quizzes plus two complete 100-question practice exams as well as a handy glossary.
