**Marriage and Virginit**y Saint Augustine (of Hippo) 1999 This volume presents new translations of five of Augustine's works: The Excellence of Marriage, Holy Virginit, The Excellence of Widowhood, Adulterous Marriages, and Continence.... The volume is to be commended on several points. The translation itself is in eminently readable, clear English that should be accessible to anyone interested in Augustine.... The general introduction does an excellent job of placing these works in the context of Augustine's career, showing how Augustine reacts to controversies with the Manichees, Jovinian, Jerome, and the Pelagians, while maintaining a commitment to the threefold goods of marriage — procreation, fidelity, and sacrament. This is a wonderful collection that allows readers to see the complexity of Augustine's thought on a difficult topic. — Kim Paffenroth *Journal of Early Christian Studies*

**Homilies on the Gospels: Lent to the Dedication of the Church** Saint Bede (the Venerable) 1991 From the eighth to the fifteenth centuries, Bede's authority as a scriptural exegete was second only to that of the Doctors of the Latin Church. Yet modern readers associate this remarkable scholar-monk only with his History of the English Church and Nation and ignore the works he saw as his chief accomplishment. - Back cover of book 1.

Discovering Lectio Divina James C. Wilhoit 2012-06-15 Saints of the past can't seem to say enough about their ecstatic experiences with the words of Scripture. The writer of Psalm 19, for example, can hardly contain himself as he exclaims that God's words and ways have revived his soul, made him wise, brought joy to his heart, given him clarity and correct perspective on his life, and warned him of danger. Why should our experiences of the Bible today fall short of this standard? What are we missing? Spiritual formation experts James Wilhoit and Evan Howard argue that our

ancestors in the faith responded to the special nature of Scripture with special habits of reading. In this step-by-step introduction to the practice of lectio divina, you will learn what it means to read your way into a new and life-changing intimacy with God. Their simple, easy-to-follow explanation of this ancient practice provides a perfect foundation for you to begin meeting God in his Word as you: read, meditate, pray and contemplate. Discover a new experience of God's Word--one that leads you to experience more of God himself.

John Burns has interpreted ten meditations for the modern reader and distilled them into a ten-day mini-retreat that can easily be completed in the midst of a busy life. This practical book goes right to the heart of helping you kick the habit of floating along on your spiritual journey to start actively pursuing holiness and devotion to God. During the course of the retreat, you'll learn the basics of forming a daily prayer routine, including how to offer yourself to God, meditate on his love, and maintain peace in the face of suffering and

clarity in the midst of temptation. The meditations will help you: Adopt gratitude as a daily prayer practice. *Lost in Transition* Christian Smith 2011-09  
In *Lost in Transition*, Christian Smith and his collaborators draw on 230 in-depth interviews with a broad cross-section of emerging adults (ages 18-23) to investigate the difficulties young people face today, the underlying causes of those difficulties, and the consequences both for individuals and for American society as a whole. --From publisher description.

**Young Catholic America** Christian Smith 2014-02-04  
Best Review at the Catholic Press Association Convention  
Studies of young American Catholics over the last three decades suggest a growing crisis in the Catholic Church: compared to their elders, young Catholics are looking to the Church less as they form their identities, and fewer of them can even explain what it means to be Catholic and why that matters. *Young Catholic America*, the latest book based on the groundbreaking National Study of Youth and Religion, explores a crucial stage in the life of Catholics. Drawing on in-depth surveys and interviews of Catholics and ex-Catholics ages 18 to 23--a demographic

commonly known as early "emerging adulthood"--leading sociologist Christian Smith and his colleagues offer a wealth of insight into the wide variety of religious practices and beliefs among young Catholics today, the early influences and life-altering events that lead them to embrace the Church or abandon it, and how being Catholic affects them as they become full-fledged adults. Beyond its rich collection of statistical data, the book includes vivid case studies of individuals spanning a full decade, as well as insight into the twentieth-century events that helped to shape the Church and its members in America. An innovative contribution to what we know about religion in the United States and the evolving Catholic Church, *Young Catholic America* is the definitive source for anyone seeking to understand what it means to be young and Catholic in America today.

**From the Depths of the Heart** Abraham Terian 2022-01-03 2022 Catholic Media Association honorable mention in prayer: collections of prayers St. Gregory of Narek (ca. 945-1003), Armenian mystic poet and theologian, was named Doctor of the Church by Pope Francis on April 12, 2015. Not so well known in the West, the saint holds a distinctive place in the Armenian Church by virtue of his prayer book and hymnic odes—among other works. His writings are equally prized as literary masterpieces, with the prayer book as the magnum opus. With this meticulous translation of the prayers, St. Gregory of Narek enters another millennium of wonderment, now in a wider circle. The prayers resound from their author's heart—albeit in a different language, rendered by a renowned translator of early Armenian texts and a theologian.

Hour of Hope Lawrence C. Obilor 2020-02-18  
Hour of Hope is strictly sermons born from concrete experiences; relatively to the author's personal experiences and those gathered from others within the scope of his pastoral ministry. Hence, it is neither a systematic exegesis of the scriptures nor a doctrinal teaching, rather a look at human experiences of suffering and God's intervention in the light of the gospels. It is meant to encourage all who suffer that our God in Jesus Christ is always available to bring them comfort and healing.
