KIA Thomas Holland
2008-01-01 The Pentagon brass
make the designations: AWOL.
MIA. KIA. Every soldier with a

designation, and no man left
behind. And Dr. Kel McKelvey
is the man to bring those
soldiers home -- from
battlefields around the world.
When a soldier's remains are
found in the Catholic cemetery
of Thanh Lay Hamlet outside of
the rechristened Ho Chi Minh
City, a reluctant Vietnamese
government agrees to the
repatriation of the body
believed to be Master Sergeant

Jimmy Lee Tenkiller. Tenkiller was a Native American soldier who went missing in the chaos of Saigon during the summer of 1970. For fourteen years, his designation was AWOL, until the Status Review Board voted 2-1 to change it to KIA. Before the case can be closed, Dr. Kel McKelvey and his team at the Central Identification Lab must positively identify the body believed to be Jimmy Tenkiller. The skull's noble features suggest the sergeant's proud Choctaw-Cherokee heritage, but Kel's instincts give him pause. Using a combination of cutting-edge forensic technique and old fashioned anthropology, he sets out to unravel the chilling mystery of the body's identity. What he finds leads him deep into the Vietnamese wartime black market and into the haunted mind of Jimmy Tenkiller. Assisting Kel on the case is his colleague and friend, Chief Warrant Officer Thomas Edward Lafayette "Shuck" Deveroux of the Army's Criminal Investigative Division. Shuck has been assigned to

solve a series of brutal murders on military bases in Kentucky and Tennessee, and he reluctantly adds Kel's identification to his caseload. But when the two investigators team up, they soon realize that all of their dead men may be telling the same tale. Dr. Kel McKelvey has devoted his life to bringing closure to the families of brave men and women who died fighting for their country. In KIA, he faces his greatest challenge yet -- to solve a chain of crimes committed by desperate men in times of war and peace. The result is a mesmerizing thriller -- an intricate forensics case involving a fallen United States serviceman, from an author who is an expert in the field.

2012-03-27 This list is set out in two sections: The Royal Navy with the Navies of the Empire and the Royal Marines; and The Royal Naval Air Service, Royal Flying Corps and Royal Air Force. As with the other volumes in the series date and place of death are given with place of burial or commemoration. This volume breaks new ground by recording the deaths and burial sites of other ranks, and extending the date of research to 1921. The title is not exactly right since it makes no mention of Warrant Officers who are included in the lists.

Lemon-Aid New Cars and Trucks 2013 Phil Edmonston
2012-12-01 Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more

competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases, and free auto maintenance programs. Buy, sell, or hold? Which cars and trucks are "wallet-friendly" and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel-saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

evidence. They come back to the thread. The only real evidence. With tenacity and perseverance of Logan and Gage the killer is apprehended. The reader experiences the twists and turns of the investigation, and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence. A Thread of Evidence has been written as fiction, but inspired by an actual event. Fifty years later, it remains etched in the minds of all who had lived in the area. The author has researched court records, newspapers, interviewed neighbors, police and has drawn on personal recollections of the crime. The story has been recounted over and over and to this day, it continues to be discussed. A Thread of Evidence is a compelling account of superb detective work, and unprecedented dedication of an entire police department.
