Event Planning Made Easy Paulette Wolf
2005-05-11 Step-by-step guide to organising any event, function, gala or fund-raiser. It covers determining who, what, where, when and how, working out timing and location, creating a project timeline and budget, designing your event, sorting out the last minute details and finally, post-event follow-up.

Event Management ASHUTOSH CHATURVEDI
2009-11-10 The book provides a proven and effective system that is not only accountable and responsible but also fosters the creativity so essential to an industry called \"events\". There are two trends in the modern event industry .The first is the drive for professionalism in response to internal and external forces which shows in compressed form the historical process that is occurring in events. The other trend is convergence that is the convergence of corporate and public events. This book not only describes the best practices in corporate event project management; it also allows you to prepare for the coming changes in the corporate event industry. It introduces the basic event project management process. It also explores the importances of the venue, or event site. The simple language of this book will be very helpful for the students.

Event Management in Sport, Recreation and Tourism Cheryl Mallen 2017-01-19 Now in a fully revised and updated third edition, *Event Management in Sport, Recreation and Tourism* provides a comprehensive theoretical and practical framework for planning and managing events. Focusing on the role of event managers and their diverse responsibilities through each

phase of the event planning process, this is still the only textbook to define the concept of knowledge in the context of event management, placing it at the centre of professional practice. Designed to encourage critical thinking on the part of the student, this book helps them develop the skills that they will need to become effective and reflective practitioners in the events industry. Containing a rich array of international real-world case studies, data and practical examples from sport, recreation and tourism contexts, this third edition is also enhanced by two completely new chapters on contemporary management issues and ethics in event management. *Event Management in Sport, Recreation and Tourism* is essential reading for any student or practitioner working in event management, sport management, leisure management, outdoor recreation or tourism.

Wedding Planning Made Simple Bryan Box
2008-06 Publisher Marketing: At last a truly 'All-In-One' Wedding Planner. From the softer side of want goes into planning a wedding from Marian's view to the nuts and bolts of the required planning elements from Bryan's eye, comes a true, 'How To and Do' program. With "Wedding Planning Made Simple" not only are you presented with the information you need to plan your wedding, but you will have access to the on-line planning program that lets you implement the templates and planning tools discussed in the book to create your own personalized wedding. Far superior to the typical hard copy wedding planners in that once written in they are really not re-useable. With the on-line program you have the flexibility to add, manipulate, change or modify your

planning as often as you like to suit your desires. To make it even better, you will be able to create your own personal wedding webpage as part of this package. Since the program is on-line and you have your own secure login and password you are able to share your details with those of whom you may be separated by distance. Best wishes with your upcoming nuptials.

Event Planning Judy Allen 2009-04-16 This bestselling all-in-one guide to the event planning business is back and better than ever, fully updated and revised to reflect the very latest trends and best practices in the industry. This handy, comprehensive guide includes forms, checklists, and tips for managing events, as well as examples and case studies of both successful and unsuccessful events. Judy Allen (Toronto, ON, Canada) is founder and President of Judy Allen Productions, a full-service event planning production company.

How to Start a Home-Based Children's Birthday Party Business Amy Jean Peters 2008-12-30 From a \$250,000 fête for a seven-year-old Florida girl, complete with helicopter rides, to \$100,000 first birthday parties as reported in the New York Times, this is rapidly becoming the gilded age of children's birthday parties. The cost of these events now averages between \$200 and \$400, fueled by pressure to "keep up with the Joneses." Couple this surge in interest with the fact that births in the United States have exceeded 4 million each year since 2000, and you have a waiting and growing market. Planning such events has become a profession in itself. More and more, parents are turning to event consultants to plan their children's celebrations. If you've dreamed of your own home business, planned parties for your own children, and want to put your creative ideas to work, this book is for you. Packed with organizing tips, guidelines, checklists, and more, *How to Start a Home-Based Children's Birthday Party Business* will help you hit the ground

running.

Revised Liquefaction Event Planning, Centrifuge Testing Memorial University of Newfoundland. Centre for Cold Ocean Resources Engineering 1995

The Business of Event Planning Judy Allen 2010-04-26 Practical tools and expert advice for professional event planners Before planning an event, there is much that must be done behind the scenes to make the event successful. Before any thought is even given to timing or location of the event, before the menus are selected and the decor designed, there are proposals to be written, fees and contracts to be negotiated, and safety issues to be considered. This book takes you behind the scenes of event planning and explains every aspect of organizing and strategic planning. This book will be of value to both the

professional event planner and to clients who are dealing with planners. Its comprehensive coverage includes: how to prepare winning proposals, and how to understand them if you are the client; how to determine management fees; negotiating contracts; safety issues; designing events in multicultural settings; and new technology that makes operations more efficient (such as online registration and response management, database project management tools). The book also includes practical tools such as sample letters of agreement, sample layouts for client proposals, forms, and checklists. Professional event planner Judy Allen offers first-time or professional event planners all the top-class advice they need to make their special events come off without a hitch.

Start & Run an Event-Planning Business

Cindy Lemaire 2012-02-24 Make money planning events with style and impress your clients — from weddings to meetings! *Start & Run an Event Planning Business* shows you how to start and run a successful enterprise by planning events of all kinds — from weddings and private parties to corporate events, meetings, conferences, and sporting events. This book will show you not only how to organize events, but also how to run the business. Keeping track of all the many details involved in putting on a successful event is easy when you have the checklists, schedules, tips, and advice of experts. Written in the step-by-step style that has made the *Start & Run* series the best of its kind, this indispensable guide will help you make any event — and event-planning business — a resounding success.

The Complete Idiot's Guide to Meeting and Event Planning Robin E. Craven 2006 A

revised handbook on how to plan a meeting or conference addresses site selection, contract negotiation, publicity, entertainment, scheduling, setting up and breaking down, event logistics, menus, A/V requirements, budgeting and expenses, and emergencies. Original.

Contract Management Alain Brunet 2021-07-30 This book presents the latest findings relating to behavioral economics and the digital tools applied to contract management. There has been a decisive change in the role of contracts in the past decade, with

contracts being transformed from purely legal necessities designed to protect against worst-case scenarios into tools for optimizing ongoing and mutually profitable business relationships with customers. There is an increasing emphasis on tight contracts, where time-risk and additional costs are passed on to the prime contractor, who may suffer heavy penalties in the event of non-performance. Contracts shape the behavior of the parties involved and as such have a major impact on project success. The contract manager's goals are to protect the interests of the company and its shareholders by minimizing the company's financial and contractual liabilities and to maximize its profitability while ensuring end-user satisfaction. The contract is usually written before the design is fully developed, and there is often a mismatch between contractual specifications and what the customer actually wants. Good contract management entails preserving the rights of the contractor by ensuring all parties respect their contractual obligations; providing advice to the project managers and engineering team; preparing profitable amendments to contracts or change requests; maintaining good record-keeping in the event that claims arise; filing notices when necessary; and guiding the project to a profitable conclusion. Like the ancient Chinese game of Go, moves made early in the game (notification of events) can shape the nature of a potential conflict one hundred moves later (arbitration threat). Contract management can also smooth the relationship between partners, allowing well-balanced "don't-trade-a-dollar-for-a-penny" contracts to be managed through an established process rather than as sporadic events (we cannot claim to be in control of our business if we are not in control of the contracts on which it depends). Managing a contract with a mix of incomplete manuals, fragmented information, and poor planning can drive companies to "reinvent the wheel." Contract management promotes a three-phase sequence to streamline information flows across the contract lifecycle, from the bid phase to performance, project closeout, and final payments.

2004-05-10 There's no dearth of books on the logistics of event planning, but not much has been published to address the legal and business issues that concern the thousands of companies that make up this industry. This book covers all the legal and business issues that special events professionals need to understand -- from contractual considerations to little-known governmental regulations with heavy ramifications. Ignorance of the law can prove very costly in an industry in which expectations must be met the first time, and in our ever-more litigious society, the need for this niche title is clear.

Special Event Production: The Process Doug Matthews 2015-08-27 This must-have guide to special event production looks deep behind the scenes of an event and dissects what it is that creates success. It analyses the process - the planning and business aspects - to provide a unique guide to producing a variety of events from weddings to festivals. It explains thoroughly budgeting and resource concerns, planning and cost projections and the role of the well-crafted proposal. This new edition has been significantly updated to include: Three new chapters: Event Design, Information Technology and Sustainability and Event Production. Updated and new case studies from USA, Canada, India, Russia and Malaysia. New Industry Voice feature, including an interview with industry experts from around the world commenting on their experiences of event planning and production. New content on: technology, volunteers, venues and PR and marketing. Enhanced online resources including: PowerPoint lecture slides, checklists, glossaries, additional questions and challenges, web links, sample contract templates, production schedule templates, and evaluation forms. Incorporating pedagogical features, this easy-to-read book is packed with photographs, diagrams, flow charts, checklists, sample forms, and real-life examples. It steps through the whole process from the creativity and proposal at the outset, to budgeting, the contract and risk management with event follow up to conclude. A must have resource for event planners, managers, caterers and students. This text is part two of a two book set - also available is Special Events Production: The Resources (978-1-138-78567-0). This book

offers an in - depth guide to the technical aspects of a big event such as lighting and audio systems, visual presentation technology, special effects and temporary outdoor venues.

Legal, Safety, and Environmental Challenges for Event Management: Emerging Research and Opportunities

Nadda, Vipin 2020-04-17 Every corporate or special event requires a governing entity to provide proper handling for any kind of situation. A proper understanding of various laws and legislation may not only help with identifying possible challenges, but it may also assist in mitigating situations when they do occur. Legal, Safety, and Environmental Challenges for Event Management: Emerging Research and Opportunities is an essential reference source that provides an in-depth understanding of various dimensions of events management practice, legal issues, and risk management, which can include environmental legislation and impacts, health and safety frameworks, consumer laws, licensing, contracts, and legal technologies. Featuring coverage on a broad range of topics such as crowd management, workplace hazards, and emergency preparedness, this book is ideally designed for event planners, event organizers/coordinators, security staff, managers, marketers, researchers, academicians, students, and industry professionals seeking current research on events, tourism, hospitality, and leisure management.

How to Create Fantasies and Win Accolades Doug Matthews 2003

Start & Run a Meeting and Event Planning Business Shannon Marie Lach 2015-04-15 Make money planning events with style and impress your clients. Keeping track of all the many details involved in putting on a successful event is easy when you have the checklists, schedules, tips, and experts' advice you need. Written in the

step-by-step style that has made the Start & Run series the best of its kind, this indispensable guide will help readers to make any event—and event planning business—a resounding success.

Human Resource Management for Events

Lynn Van der Wagen 2009-02-04 Human Resource Management for Events is the first text to cover management of human resources in the event environment. Linking theory, research and application it covers the differing and various types of event in which human resource management is key, such as: * Business Events - a vast sector including events people who manage conferences, exhibitions, incentive trips and individual business travel. * Sporting Events - this sector includes sporting events ranging from the Olympic Games, Rugby World Cup, Soccer World Cup, Tour de France, Grand Prix to many smaller, local sporting events. * Arts and Entertainment - the logistics, risk and financial issues facing entertainment events are leading to the development of more sophisticated operational skills for this sector. Music festivals are increasingly popular. * Public Events - civic ceremonies, parades, celebrations, festivals and protests all fall within the scope of public events. Planning, approval and risk management are increasingly on the agenda for all levels of government. The particular challenges provided by such events are varied. The size of the workforce explodes at the time of the event to include the event management team, many paid staff, hundreds of volunteers and multiple contractors, such as food vendors and cleaning teams. Everyone working on the site comes into the scope of the event workforce. Little time is available for training and motivation plays a key role in retention and customer service. Decision making occurs on the run and the event is over before anyone can think about performance appraisal. The environment is further characterised by a fast pace, high stress levels and many workers are fatigued by the bump in period before the event audience pours through the gates to add yet another level of pressure. These features of the human resources environment are quite different to those of the traditional workforce. Human Resource Management for Events is vital reading for both students and practitioners involved in this crucially important aspect of

event management.

Event Management Simplified Judy L.

Anderson 2010-03-04 Creating special events may look easy to those who attend, but to do it well requires a great deal of knowledge, creativity and organizational skill. Event Management Simplified contains a wealth of information and how-to knowledge that can be used by both seasoned event planners and those just learning the ropes. Contained within these pages is information about: · Skills needed to be an event professional and where to find jobs · Insider tips and strategies for "thinking outside of the box" · Identifying event demographics and laying a strong foundation · Examples, systems, timelines and worksheets for all event elements · Determining if committees are needed and how to keep them on track · Ideas for recruiting sponsors, donors, exhibitors and attendees · Risk management, obtaining permits, and working with jurisdictions · Elements of negotiating contracts with venues, vendors and others · Food and beverage tactics for menu planning, service and contracting · Ways to market and promote your event · Creating site plans and logistics schedules · Contracting for stage, sound, lighting, electronic media, entertainment · Using volunteers for maximum effect · Pre- and post-event activities The easy-to-read format and systems in Event Management Simplified have been successfully used by event planners of all skill levels and by academic institutions as a teaching tool. We guarantee this book will pay for itself many times over in time and financial gain.

Marketing Your Event Planning Business Judy Allen 2013-02-06 Practical, prescriptive advice on successfully marketing your event planning business Recent years have been tough on the event planning industry. The terrorist attacks of September 11, 2001, economic downturns, wars, and SARS have all negatively impacted the business. There are fewer corporate dollars dedicated to travel budgets and special events, creating even more pressure on businesses in an already highly competitive industry. This book tells you all you need to know to market your business and build your client base in good times and bad. Marketing Your Event Planning Business shows you how to gain a competitive advantage by setting yourself apart from the

competition, pursuing new markets, and soliciting sales. It covers all the vital topics in event planning marketing, including how to diversify your client base, develop niche markets, improve your customer service, establish emergency business plans, and much more. Ideal for event planners, marketing managers in the industry, and professionals in the hospitality, culinary, or travel industries Includes actionable advice on successfully marketing an event planning business Features illustrative examples, practical tips, and useful checklists and other resources Marketing Your Event Planning Business is packed with practical tips and examples, giving you creative new ways to showcase your talents, build your business, and bring added value to your clients.

Meeting & Event Planning For Dummies is a practical step-by-step guide to the strategies and techniques event-planning professionals use to bring people together. This comprehensive resource covers all the angles from the little details to the big picture to make sure your business meetings and special events come off without a hitch! Praise for Meeting & Event Planning For Dummies "Packed with valuable information in an easy-to-use format. [It] covers all the basics for the meeting planning novice." --Diane Silberstein, President, Diane Silberstein & Associates "A great resource book every event professional should have.... Checklist heaven! We all love our checklists, and this book is full of them!" --Cathy Breden, CAE, CMP

Sustainable Tourism Contracts Sara Landini 2021-10-14 This book addresses the various sustainability issues that the tourism industry has faced over time like the trend from over-tourism to under-tourism or from tourism in increasingly distant destinations to a new local tourism with new needs. It also highlights how contracts, both between businesses and those with consumers, can represent tools for the financial, ecological and social sustainability of the tourism industry.

A Meeting Planner's Guide to Catered Events

Patti J. Shock 2008-10-20 Food and beverage is the largest portion of a meeting budget, but most meeting and event planners have no formal background in purchasing and managing this expense. This guide helps event, meeting, and convention planners save money, negotiate contracts, deal with catering managers, and successfully manage the food and beverage aspect of their event. Covering everything from styles of service to on-premise and off-premise considerations to food and beverage contract negotiation, this book is a comprehensive and accessible reference for event planners and students.

Event Planning Ethics and Etiquette Judy Allen 2010-06-01 The world of event planning can be alluring and dangerous at once-exotic locales, wining and dining, and people traveling without their spouses. In such situations the line between business and pleasure blurs and the nature of relationships gets cloudy. With a thoughtless act or a less-than-tactful word, long-lasting business relationships can be ruined forever. Beyond that, budgets are on the chopping block and competition for business is tight. In that environment, people often cut not just financial corners, but the ethical ones, too. There's a fine line between innocent perks and inappropriate gifts or kickbacks. Event planners today must navigate a minefield of potentially sticky situations that can easily blow up in their face. Without a professional code, lines of acceptable behavior are easily crossed. And what you do personally can hurt you professionally. Event Planning Ethics and Etiquette provides event planners with the companion they need to stay out of trouble, keep professional relationships healthy and profitable, avoid the riskier temptations of the lifestyle, and win business in a highly competitive market using ethical business practices. Explains how to establish policies and codes of behavior, in the office and onsite at events. Offers guidelines on when it is acceptable to accept a gift, what is acceptable, and what is inappropriate. Shows how to prepare yourself, as well as your staff, for what to expect, and how to handle the unexpected with business finesse. Covers business etiquette in event planning crisis management situations. Helps you to avoid putting yourself and your company at personal

and professional risk. Features real-life examples and situations, and advice on how to handle them with poise and professionalism. Includes a list of "Event Planning Do's and Don'ts." Event Planning Ethics and Etiquette will be of value to the professional event planner; to event planning suppliers and clients working with industry professionals; as well as to those in related fields, such as public relations, administrative professionals, communications; and anyone in the hospitality, culinary, and travel industry.

Festival and Special Event Management, Essentials Edition Johnny Allen 2022-05-23 Allen's Festival and Special Event Management, Essentials Edition serves as a concise yet comprehensive, step-by-step handbook for modern event management. This Essentials edition gives students contemporary lessons and insights that they can relate to. It brings theory to life through copious practical examples, illustrative diagrams and unique case studies demonstrating best practices and pitfalls. Industry experts from across APAC's event planning sector have contributed content to key contemporary topics including sustainability, risk management, project management and strategic alignment to client goals. This edition also features Wiley's Future Student Guide, a unique tool which provides expert and practical advice on career preparedness making for more future-ready graduates.

Planning Successful Meetings and Events Ann J. Boehme 1998-11-30 Planning a meeting or event is no easy task. Just ask any of the administrative staffers who are increasingly being asked to do it. One minor mistake -- a plane ticket that doesn't arrive on time, not enough vegetarian meals at the luncheon, the wrong kind of audio/visual equipment -- can mean big trouble. Now this handy little how-to guide takes secretaries and assistants through the entire process step-by-step. From site selection and registration do's and don'ts to negotiating with vendors and food and beverage planning, this book gives them everything they need to get a meeting planned right. Packed with floor plans, checklists, glossaries of industry-specific terms, lists of resources, and more, Planning Successful Meetings and Events is sure to transform any take-charge assistant into the Martha Stewart of

meeting and event planning. It's a good thing. *How to Start a Home-Based Event Planning Business* Jill S. Moran 2010-07-13 Are you passionate about planning events?
