**God, Creation, History & Faith** Peter Heyden 2012-11-01 Since the end of the Second World War many archaeological finds have been made and much has been learned, particularly from the Dead Sea Scrolls and the Nag Hammadi texts. Many early documents have come to light, which were buried to avoid the destruction of all kinds of early religious beliefs and practices ordered by the 'orthodox' Church. As a result a host of scholars, archaeologists, theologians and fiction writers have since written hundreds of books on the subject matter, which had been hidden for nearly 1800 years. Over the past six years the author has read over two hundred books, pamphlets and pages from numerous websites. He read them all with interest, but more importantly with an open mind, whatever the persuasion of the writer and whatever angle or message they have been trying to convey. This book has been put together by amalgamating many of the thoughts, ideas and claims written in these books, interspersed with the author's own thoughts and ideas. The aim is to provide for the author an explanation of what may have happened historically, and how that has affected his own thinking. It is for his own satisfaction to try to gauge the course of the history of creation and religion through to the establishment of the early Christian Church, and of course in so doing studying other religions as well.

**A Daily Journey with God Through the Year** Elder Charles B. Harris Sr. 2021-06-15 A Daily Journey With God, Through The Year is for you to get it, read it, and act on the Word of God with faith. If you walk with Him closely on your journey and also make Him the center of your journey everyday, you will be at the center of His Will tomorrow. Therefore, I encourage you to put your FAITH in the Lord, trust Him, and be obedient to His word on your daily journey with God in order for His Word to bring you closer to Him. The scriptures in this book are meant to feed you spiritually, and to build up your faith, so that you can apply His word to your everyday situation and circumstances. FAITH is the substance of things hoped for, and the evidence of things not seen. Christian friends, exercise your faith whether you are asking the good Lord for the forgiveness of your sins, or seeking His "Holly Blessing" regarding your illness, a job, or traveling mercy. Even, if you are asking God for a husband, wife, or a child; including a car, or a house, etc., humble yourself in the sight of the Lord, by taking "A Daily Journey With God, Through The Year", and He will lift you up and answer your prayers. Please be reminded that God loves and He cares for all of His children; regardless of Nationality, Religion, Race, or Color. As you undertake "Your Daily Journey With God", you will complete your entire Bible study, from Genesis to Revelation within 365 days; you will be empowered to abide in the Lord, and He will abide in you. Your FAITH will be strengthened in the Lord, as you gain more knowledge wisdom and understanding in His word, because Christ is risen, and He is alive. He is coming soon, as He promised. Finally, as you "Walk With The Lord", starting this New Year. January 1st, you will observe on your journey; that Jesus Christ created "A Spiritual Power House of God" immediately after His resurrection, to answer all of our prayers, if only we have faith. He also installed a direct emergency "Spiritual Hot-Line" from earth to heaven (The Spiritual Power House of God) many thousands of years ago, to receive our calls; and to solve all of our problems that we might be saved. "This spiritual emergency Hot-Line" which is connected directly to Jesus (the name that is above all names), is open to all Believers of Chris, 24/7, and it is free of charge; whenever you dial (911-Jesus) with FAITH, for an answer to your prayer request, I strongly believe! Therefore, I will encourage you to please ask a relative or a friend to join you this coming New Year, in undertaking "A journey With the Lord". You and your entire family will surely be blessed. Amen! - Elder: Charles B. Harris, Sr.

**A Journey of Faith** Abiyah Lynch 2021-12-02 Prophecy is not new. It has always been with us. This gift from the Holy Spirit is still working today; however, we must be careful to confirm it with the Word of God (the Bible). His Word will always confirm it in our minds and hearts. A few years ago, I was called to be a street preacher and to reach people for Christ. I also visited churches to share the messages I had received

with pastors and Christians wherever I went. God's Word is true, and God is always faithful to his Word. My Father Yahweh is always good, perfect, and just. He seeks to have a closer relationship with each one of us. I encourage you to grow closer to him by praying, reading the Bible, and listening to him. Know that God still speaks to us today, as he did long ago through the prophets. I encourage you to grow in Christ, for he offers us salvation and a bright and glorious destiny. God bless you and thank you for your interest in prophecy.

**Hearing the Message of Ecclesiastes** Christopher J. H. Wright 2023-06-27 There is no easy answer to the meaning of life—even when you believe in God. The book of Ecclesiastes seeks to answer the question: "What do people gain from all their labors at which they toil under the sun?" The book's central character is Qoheleth, who wants to understand the meaning of life as far as he possibly can with the tools of his own empirical observation and reason. He struggles to reconcile the beautiful world that we love and enjoy with the baffling world of injustice, suffering, and death. Qoheleth circles around an abyss of nihilism and pessimism. He lives with unanswered questions. Yet he remains a believer. Old Testament scholar Christopher J. H. Wright invites you to join Qoheleth on a journey through wisdom literature from centuries

ago, because the message of Ecclesiastes can be strangely reassuring as we put our faith to the test in today's post-modern era. There will be disorienting twists and turns and the occasional complete impasse as complex topics are discussed, like: The meaning of life Mysteries of time and injustice Ambiguities of work, politics, worship, and wealth Hearing the Message of Ecclesiastes won't answer your questions about the meaning of life, but it will ultimately help you live in the tension of God's gifts in Genesis 1-2 and the fallen world of Genesis 3--and still go on trusting in the sovereign goodness of God.

**The Institutes of Biblical Law Vol. 2** R. J. Rushdoony 2009-11-16 The relationship of Biblical Law to communion and community, the sociology of the Sabbath, the family and inheritance, and much more are covered in the second volume. The purpose of this second volume is to point men to God and His Word for the government of their lives and our world. To serve and magnify God is the greatest of privileges and callings, as is the reconstruction of all things in terms of the Word of God. This, after all, is the purpose of life, to be conformed to God. Contains an appendix by Herbert Titus.

**Lee Roy's Heaven** Big Brother Earl Roberts 2013-08-27 The author Big Bro. Earl Roberts like many others has been on a spiritual quest for understanding for many years. His new book (first novel) of spiritual fiction had been in the process of becoming for many years. Lee Roys Heaven is an attempt to convey to the masses the possibility of and necessity of people having more love and compassion in their lives. Perhaps, looking at some traditional religious doctrines in a whole new way and concluding that what we dont know about Gods truth is just as important as that which we believe we do know. This story of the adventures of a young (deceased) dope-seller tripping through his after death existence forces the readers to contemplate their lives, true love, forgiveness, patience and tolerance for other human beings that we judge as evil, sick with sinful natures, or strangely different then ourselves.

**Spiritual Democracy** Steven B. Herrmann 2014-10-14 Exploring what the author calls the "shaman-poets"—Walt Whitman, Herman Melville, and Emily Dickinson—this book demonstrates how far ahead of their times these writers were in forecasting developments of our current time. It was Whitman who first wrote of "Spiritual Democracy" as a vision of transformation and global equality. Steven Herrmann delves deep into the visionary expressions of this idea of Spiritual Democracy—"the realization of the oneness of humanity with the universe and all its forces"—in these early American writers, showing the influence the groundbreaking work of the geologist and thinker Alexander Von Humboldt had on Whitman and others. Writing that every member of the global community regardless of color, gender, or sexual orientation can realize these freedoms, the author explores how one can tap into the vitalizing source of equalizing,

vocational energy to bring a sense of purpose and peace. Although the book shines as a work of literary criticism, the author's insights as a Jungian psychotherapist take the reader ever deeper into the creative impulses of Whitman, Melville, Dickinson, and other poets in their crafting of the seminal notion of Spiritual Democracy. In addition, Herrmann offers practical methodologies for personal and global transformation in the section, "Ten Ways to Practice Spiritual Democracy." **Sharp, Sleek Sword** Babatunde R. Ajimoti 2018-01-19 Sometime ago, in a hospital where I was practicing, a friend of mine gave us a riddle. He asked us to guess a powerful plague that is greater than HIV/AIDS and worse than cancer. His clue was This condition targets the heart of man. We all gave up after mentioning some heart diseases but could not decode his riddle. He cleared his throat and said, Deception is the canker that can destroy the body, soul, and spirit of a man. All terrible sicknesses in life can only destroy the body but not be able to kill the spirit and soul. Hence, deception is greater than HIV/AIDS and worse than cancer. Mr. Deception could be described in many ways. He is a rapist; many people have been violently defiled physically, financially, economically, and spiritually through his activities. The trauma left in the life of his victims has made some people miserable for the rest of their days on earth. This monster has made mincemeat of wise men and women. Ironically, this evil monster could be seen wearing a mask in many unusual places. His leprous fingers could be found turning families upside down and pitting best friends against one another. Mr. Deception will jeopardize the future generation through his nefarious work. He could use the government against ordinary citizens and pulpits against the pews. Mr. Deception is becoming more sinister and deadly and has become a tool in the hands of the enemy of our soul. He is perfect in what he does and is a smooth operator. What our adversary, the devil, is doing today through deception mimics the events in chapter one of the book of Daniel. Satan targets the children of God with the nuclear weapon of deception. His ultimate goal is to deny them the presence of God in eternity. Everyone needs to brace up to wage war against deception, without which it may be difficult to fight the good fight of faith.

**Ageing Behind Prison Walls** Tina Maschi 2020-12-01 Today, more than 200,000 men and women over age fifty are languishing in prisons around the United States. It is projected that by 2030, one-third of all incarcerated individuals will be older adults. An already overcrowded and underserved prison system is straining to manage the needs of incarcerated older adults with growing frailty and health concerns. Separated from their families and communities despite a low risk of recidivism, incarcerated older adults represent a major social-justice issue that reveals the intersectional factors at play in their imprisonment. How do the people aging in prison understand their life experiences? In *Ageing Behind Prison Walls*, Tina Maschi and Keith Morgen offer a data-driven and compassionate analysis of the lives of incarcerated older people. They explore the transferable resiliencies and coping strategies used by incarcerated aging adults to make meaning of their lives before, during, and after imprisonment. The book draws on extensive quantitative and qualitative research as well as national datasets. It features rich narrative case studies that present stories of trauma, coping, and well-being. Based on the data, Maschi and Morgen present a solution-focused caring-justice framework in order to understand and transform the individual- and community-level structural factors that have led to and perpetuate the aging-in-prison crisis. They offer concrete proposals—at the community and national policy levels—to address the pressing issues of incarcerated elders.

**Ways of Knowledge and Experience** Louis Arnaud Reid 2015-06-05 Originally published in 1961. This book is a study of some important ways of knowledge and experience and of the symbols through which they become articulate. Both 'knowledge' and 'experience' are interpreted in wide senses which are sanctioned by common use – though not always by the usage of philosophers and scientists. The four main fields considered are: the arts, religion, moral knowledge, and our knowledge of one another. These fields, though distinguishable, are nevertheless found to be interrelated in subtle and interesting ways, and it is contended that increase of 'wisdom', or 'educated understanding', can be achieved only through acceptance and assimilation of all their many-sided disciplines into personal insight. The book deals in a new way with questions of perennial interest which, because they are fundamental, are difficult. Nevertheless, the writing is lucid and untechnical and addressed to a wide range of readers.
