Weekend Sewing Heather Ross 2021-02-16 More than just a pair of days, a weekend is also a state of mind—a feeling of relaxation and freedom to immerse ourselves fully in a favorite activity. In *Weekend Sewing*, designer Heather Ross presents creative projects for clothing, accessories, and home items that can be made in a weekend or less. Some, like the Quick Garden Gloves and Ruby's Bloomers, take a few hours; others, like the Weekend-Away Travel Bag and Trapeze Sundress, require a day or two—but all of them capture that weekend feeling. And because weekends are often the most fun when they're social, Ross features ideas that encourage us to share our stitching and our time, such as a recipe for soup to simmer while sewing, then serve to guests later in the day, and tips for transporting a sewing machine to a friend's house for an afternoon of social stitching. The sewing instructions are beautifully illustrated.

Practical Sewing and Dressmaking Sara May Allington 1913

Complete Guide to Treadle Sewing Machines Reuben O. Doyle 2016-12-04 As a sewing machine repair person for over twenty five years, I've seen almost every problem that can happen with your home sewing machine. I've seen people so frustrated with their new found treadle sewing machine that they were ready to set it aside for looks only, just because they couldn't figure out how to use or operate it. Normally the old treadles no longer have instruction books with them, therefore it's up to the owner to try to figure things out. Even a basic thing like putting on a new belt is an impossible task when you don't know where to begin and what steps to take to get it in the right position and secured properly. If you stop and think about it, the treadle machine is the machine all sewing machines of today were modeled after. The electric motor was added to take the place of the foot power of the treadle machines. The shuttle was changed from the bullet style to the present style of a small round flat shuttle directly under the feed dog and needle bar. I've had many requests to try to locate an instruction manual for treadle sewing machines, to no avail. After years of request after request for information on treadle sewing machines, I was finally talked into writing a book of general instruction for the treadle machine. Keep in mind that there are many different styles, brands and manufacturers of treadle sewing machines, and some are made in other countries. With that in mind, I could not include each of them specifically and cover the

small differences they each may have, therefore this book is written in a "generic" style so that the information could be applied to any treadle machine.

The Complete Photo Guide to Perfect Fitting Sarah Veblen 2012-01-01 The Complete Photo Guide to Perfect Fitting is the ultimate reference for fitting test garments and transferring accurate adjustments to patterns. No matter what size or shape you are, wearing garments that fit perfectly makes you look and feel better. Rather than making commonly accepted changes to a commercial pattern, the method presented in this guide focuses on the way a test garment fits the body. The fabric is manipulated to improve the fit, and then those specific changes are made to the pattern. The result: patterns that fit perfectly! With The Complete Photo Guide to Perfect Fitting, you'll learn: The importance of a fitting axis and how to use it during a fitting How to recognize fitting issues, such as drag lines and folds How to manipulate fabric to solve common and unusual fitting problems How to transfer the fitting changes to your pattern easily Basic pattern-making skills to ensure accurate alterations See the fitting process from start to finish on basic garments, fitted on real people. Then follow fitting solutions on different body types. Hundreds of large color photos illustrate the techniques and concepts in simple step-by-step instructions. With these lessons, you will get the perfect fit for any body.

Sewing Manual: The Complete Step-by-Step Guide to Sewing Skills Laura Strutt 2016-02 Sewing is no longer the preserve of grandmothers and aunties. This title starts with the basic kit and techniques before introducing fastenings, embellishments, clothing and home furnishings.

Singer Upholstery Basics Plus Steve Cone 2011-01-01 The most comprehensive, user-friendly upholstery book on the market just got better! Over its lifetime, SINGER Upholstery Basics has sold nearly 150,000 copies. Now, with five new projects and an entirely fresh presentation, SINGER Upholstery Basics Plus is truly the best book for

beginners and seasoned upholstery buffs alike. All the basic upholstery techniques are taught. Projects include all styles of chairs or couches, stools, different styles of ottomans, a bench, and a headboard. Some projects are built-from-scratch items that require only simple carpentry skills for building the frames. Others show the complete process of stripping, repairing, and reupholstering old furniture pieces to like-new condition. Large color photos of the step-by-step instructions set this book apart from all the others. 300+ photos show the techniques in great detail, plus 5 new projects. Projects are practical and most representative of the types of furniture pieces usually reupholstered or constructed from scratch. Hidden wire-o binding keeps the book open flat while you work.

Grace Grace Coddington 2012-11-20 Grace Coddington, at age 70, has been the Creative Director of Vogue magazine for the past 20 years. Her candour, her irascibility, her commitment to her work, and her always fresh and original take on fashion has made her, after Anna Wintour, the most powerful person in fashion. Acquired after an intense auction among every major publisher, this woman who became an unwilling celebrity captured the hearts of everyone when she was revealed in the movie as the creative force behind the throne at Vogue. Having grown up on a backwater island in Wales, she came to London just in time to be discovered as a dazzling model by the famous Norman Parkinson, then went on to shape the pages at Vogue for 19 years where she worked as Creative Director with many luminaries including the young Wintour. Lured by Calvin Klein to run his New York operation she then jumped back to American Vogue when Wintour returned to America in 2003. She has been there ever since.
